Knoxville Bar Association Wellness Conference 2023

Please consider attending the 2023 Wellness Conference hosted by the KBA! The theme is Making Mental Health & Wellness Matter- *Change is All Around Us*. There will be flu shots available from Mac's Pharmacy and twelve health screenings and education tables. We will also have a table so come say hi to Tiana if you attend! Here is the link to register if you wish to attend. <https://www.knoxbar.org/?pg=events&evAction=showDetail&eid=271392>

Staff Spotlight of the Month

Ridhwan Shakil, BA

Ridhwan, fondly known as Riddy, has been with Genesis since his sophomore year in 2020. He started with us as an intern and has served as Clinical Coordinator, Scheduler, and now Lead Medical Assistant. Riddy graduated from the University of Tennessee, Knoxville with a BA in psychology in Spring 2023 and has since joined our team as a full-time medical assistant, part-time tech guru. He is pursuing medical school and hopes to matriculate Fall 2024. In his free time, he loves relaxing with friends and board games.

Fall Into Orange 2023 Update

by **Tiana Ross**

Thank you!

Thank you to all of the sponsors, donors, event attendees, volunteers, and vendors who all made Fall Into Orange possible! As you all are well aware now, every donation goes towards our mission statement of serving patients and families and mentoring the next generation. This was our first major fundraising event by the Tennessee Memory Disorders Foundation, and we hope to make it an annual event! We aimed to raise \$30,000 with this event and we are so happy that we met that goal! We will finish calculating and release the total amount raised on our Facebook account sometime next week. Again, thank you all for supporting our mission and we hope to see you all at Fall Into Orange 2024!
