

## Genesis Neuroscience Clinic

# Tennessee Memory Disorders Foundation

March 01, 2024

*Cheers to 7 Years!*

Thank you to all for all of the generous donations that helped us to reach our goal of \$200,000 in 2023! Without your support we would not be able to provide the care that we do. As the clinic prepares to celebrate its forthcoming seventh anniversary on April 10, 2024, we kindly seek your support in achieving our objective of raising **\$10,000!** Your generous contribution will play a pivotal role in our ongoing efforts to achieve our 2024 goal fundraising goal of \$225,000. These funds are vital for sustaining our internship

programs, which helps promote interns who are underrepresented in medicine and ensures continued support for patients who are unable to afford it themselves. Your donation will further our mission to cultivate the next generation of geriatricians through our internship program. Your involvement truly makes a meaningful impact, and we extend our heartfelt gratitude for your generosity. Thank you for being a crucial part of our journey towards enhancing healthcare access and quality for all!

## Upcoming Events

## O'Connor Senior Center Pancake Fest

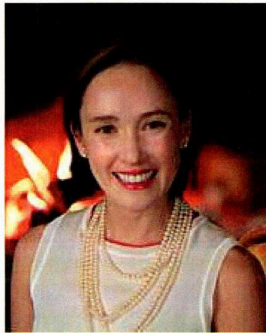

Please join us for fresh pancakes at the O'Connor Senior Center on Friday, March 22nd! This annual event spotlights the Senior Center activities and participants while giving an opportunity for community fellowship! In addition to a delicious pancake breakfast (sugar free and gluten free options available) there will be vendors, crafts and live music, and an artisan fair. All ages are welcome! Tickets are \$5 per person (includes a stack of pancakes, sausage, and a drink). Tiana, Day, and Ira will be there! We hope to see you there!

Concord Place

The 2024 Fireside Chat Series  
with Dr. Monica K Crane and/or a  
Genesis Neuroscience Clinic Representative.

2ND TUESDAY OF EACH MONTH 5:30-6:30

**Dr. Monica Crane**

*Please join us at Concord Place Memory Care*

**FOR RESERVATIONS AND INFORMATION CONTACT:  
LMarkin@anthemmemorycare.com • P. 865-777-1500**

Dr. Monica Crane is currently the Director of the Neuroscience Clinic at Dowell Springs in Knoxville. She has participated and led clinical trials focused on Alzheimer's disease and the related neurodegenerative dementias.

Concord Place Memory Care  
901 Concord Road  
Knoxville, TN 37934  
[ConcordPlaceMemoryCare.com](http://ConcordPlaceMemoryCare.com)

Dr. Crane will be speaking about brain health and the importance of catching neurocognitive decline early at Concord Place on Tuesday, March 12th from 5:30 to 6:30 health tips and information. This event is free and open to everyone.

Tiana Ross

Tiana graduated from the University of Tennessee with a Bachelors of Neuroscience with a minor in Hispanics studies. She started her internship at Genesis Neuroscience Clinic in January 2019 where she became a clinical coordinator a year later. After four years at the clinic and founding the community outreach coordinator position, we are thrilled to announce that she will be attending medical school this coming Fall 2024. Sadly, Tiana will be leaving her position at Genesis this summer to prepare for medical school, but we are very proud of all her work at the clinic, and we wish her the best in medical school!

With Tiana's departure, we are happy to welcome Ira Katigbak and Day Vance as the new Community Outreach Coordinators. Keep a lookout for more to come about us in future newsletters!

## Stay tuned for more information!
